AMERICAN COLLEGE OF EMERGENCY PHYSICIANS

**2022 Maryland ACEP Chapter Educational Conference & Annual Meeting
Thursday, April 21, 2022**

FACULTY

Peter Fredericks, MD

PRESENTATION

Syncope, How much is too much?

DESCRIPTION

A critical and evidence-based approach to the evaluation of syncope through the lens of the emergency department.

OBJECTIVES & OUTCOMES

- The history and physical remain central to the diagnosis and management of syncope
- Echocardiogram is unhelpful in the vast majority of patients presenting with syncope
- Prolonged inpatient observation is frequently unhelpful in most patients presenting with syncope
