#### Disclosure of Financial Relationships

In accordance with the ACCME Standards for Integrity and Independence in Accredited Continuing Education, **all** relevant financial relationships, **and** the absence of relevant financial relationships, must be disclosed to learners for all individuals in control of content:

- Before learners engage with the accredited education
- In a format that can be verified at the time of accreditation

No individuals with control over content have relevant financial relationships to disclose.

#### Disclosure of Commercial Support

In accordance with the Standards for Integrity and Independence in Accredited Continuing Education, the source of all support OR lack of support from ineligible companies, as defined by the ACCME (including “in-kind” support), must also be disclosed to learners prior to engaging with accredited content.

No commercial support was received.
